Agency Referral

Benefits to using Rejuvia Travel School:

- By training eager students, the agency knows each student very well and can "cherry pick" those who would be the best employees for their travel agency.
- Agency can hire the best students as employees or as FT or PT outside agents, thereby increasing their sales force and subsequent revenues.
- Agency earns a referral fee for very little effort.
- Offering a travel school referral gives your agency a level of prestige that can be leveraged in your community to show your agency's expertise and knowledge in the travel industry.
- By completing Rejuvia Travel School, your agency knows that the graduate is dedicated to the industry, has a strong knowledge of industry practices, has a strong work ethic and is more likely to want to grow as a travel consultant for your agency.
- Agency will fill a need to train many eager people wanting to become travel agents.

About Our Flex Study Program

Our curriculum is designed to prepare students for entry-level positions in the travel industry. The travel industry offers flexibility for various work schedules including part-time, full-time and work-from-home opportunities.

Our program offers the flexibility for students to study at their own pace in the time they have available. Rejuvia's students have a full year to complete the curriculum including assignments, tests, and student projects. They will complete and submit the coursework grading by mail, email or online. Enjoy the personalized guidance and one-on-one explanations from your Rejuvia Travel School experts as needed.

Industry Travel Growth

The travel and vacation industry continues to grow as people realize that vacations can relieve stress and build family bonds. Travelers want the best value and they know using a reputable agency gives them the personal service that only a trained travel agent can provide.
